

# 愛可以再更多一點點

More Love

詞、曲：游智婷 Sandy Yu

English Translation: SOP

## 我可以擁有全世界

I could have the whole world and yet

## 卻沒有愛

Still have no love

## 我可以明白所有事

I could understand all things but

## 卻還是空白

Feel empty inside

## 我可以有信心移山

I could move the mountains by faith

## 卻還是孤單

Yet seem so alone

## 這世界沒有了愛

Without love, this world would be

## 一切仍是黑白

Empty, just black and white

愛可以再更多一點點

More Love

不要埋藏在心裡

Don't hide it inside your heart

把愛說出來

Say it out in truth

不要默默在一旁

Don't hide it in the corner

把愛活出來

Let your love shine through

# 愛可以再更多一點點

The love that's from the Father
